The project is located in the heart of the international financial center of Istanbul, which has become an important point of attraction for the business life of the whole of Turkey - Umraniye. The main concept of the facility is living in comfortable conditions close to business districts. The internal infrastructure includes recreation areas, beautiful landscape design, viewing platforms and much more. The facility offers 104 apartments with layouts from 1+1 to 4+1 with living area from 73 to 250 sq.m, located in two blocks. The apartments have central heating, air conditioning, wardrobe in the hallway, dressing table in the bathroom, fully furnished kitchen, equipped with stove, oven, extractor and dishwasher. Most apartments have two parking spaces. More than 5000 sq.m. given over to landscaping. The internal infrastructure does not violate the harmony of nature, while the complex has everything you need: an outdoor pool, a playground, a cafe, a fitness center, a conference room, a table tennis area, etc. The external infrastructure is not inferior to the internal one. Around the object there is everything necessary for a full life: hospitals, educational institutions, public transport stops, shopping centers, etc.
