This project is built in the Kartal area, on the Asian side of Istanbul. The developer is a well-known company with an impeccable reputation in the Turkish construction industry. The residential complex consists of two high-rise blocks of 29 floors each, with a total of 364 apartments and 25 offices and 11 commercial premises. Inside the project there is a round-the-clock video surveillance for the safety of residents, as well as a security service. The complex has a swimming pool, basketball court, tennis court, parking, gym. The concept of the project is a property for families with and without children, with high rental potential. Separately, developers note an interesting project of apartments with panoramic windows overlooking the sea or the city. Some apartments have balconies, hidden from prying eyes, with a Jacuzzi on them. The residential complex is located within walking distance from all social infrastructure and transport facilities. And also to the sea and the marina of Istanbul Marina.
