**Apartments in a residential complex
near popular shopping centers**

Turkey, Istanbul

Price:	€ 504 356
Object type	Apartment
Market	New building
Category	For sale

The object is located in the prestigious Istanbul district of Bahcesehir with its wide green streets, social infrastructure, cultural institutions and other locations necessary for a comfortable city life. Convenient access to the TEM motorway provides excellent transport accessibility. There is also a metro station nearby. Ataturk Airport is only 15 kilometers away. Near the residential complex there are many cafes and restaurants serving various cuisines. The location next to several malls provides excellent shopping opportunities. Everything on the territory of the residential complex is thought out for relaxation. In addition to large green areas, there are places for picnics and barbecues. There is an outdoor swimming pool with a waterside seating area with sun loungers and parasols. There are children's and sports grounds. The internal infrastructure is represented by SPA, sauna and fitness center, children's playroom. The residential complex consists of five buildings up to five floors high. Nearby are two-story buildings of villas. The facility offers apartments and villas with layouts from 1 + 1 to 3 + 1. There are spacious view balconies and terraces. The villas have a two-level layout and have their own access to the garden. The interiors of the residential complex are made in light colors.
