The facility is located in the center of Istanbul's Bahchievler district in the European part of the city. This location makes it possible to live close to tourist attractions in an area rich in social infrastructure, but in peace and tranquility. The residential complex is located near the E5 highway, which will allow you to get anywhere with comfort. The area is also distinguished by a well-developed public transport network. Metrobus and metro stations are 600 meters from the property. The nearest hospital is only 20 meters from the complex. There are many schools in the area, and the university is located three kilometers from it. You can walk to the shopping center in just a couple of minutes. The residential complex consists of four six-story buildings. Part of the buildings is occupied by a five-star hotel. 81 apartments are available for sale with layouts from 2+1 to 8+1. The residential complex provides outdoor and indoor swimming pools, a sauna and a Turkish bath. The hotel has a large fitness center. The object has a spacious covered parking. A significant part of the territory of 12,640 square meters is occupied by landscaping. On the territory there are bicycle and pedestrian paths, artificial reservoirs. Convenient location in the central part of the city and excellent transport accessibility, as well as a modern architectural concept, developed internal and external infrastructure make the object an ideal option for real estate investment. Spacious apartments are ideal for a comfortable life for the whole family.
