This project is a modern complex built in a new residential area with developed infrastructure. The building is located in Alanya, Kargicak. From the windows of the complex offers a beautiful view of nature, mountains and the Mediterranean Sea. The area in which the complex is built is considered quiet and calm. It is suitable for a comfortable life for families with children, pensioners. The sea coast is located near Kargicak, so the sea is easily accessible on foot. You can walk around the area and admire the majesty of the Taurus Mountains. Appearance of infrastructure 5 minutes to Mahmutlar beach, 4 minutes to Karagedik Plajı; Alanyum shopping center is 15 minutes; Embankment (500 m.); You can get to the clinic in 20 minutes; Wakeboarding park Gold Cable is built 11 minutes from the complex; 33 minutes to Alanya fortress; Gazipasa Airport is 25 minutes away. You can get to the airport both by private car and by public transport; If you want to have fun, you can overcome 25 minutes and visit the Damlataş and Dim caves; Alanya Marina Port is 27 minutes away. In a number of advantages, first of all, one can single out a high investment return, a pleasant climate of the Mediterranean Sea (500 m to it). It is worth noting the elegant modern architecture and the rich internal and external infrastructure. The residential complex consists of five block buildings. It includes luxury apartments and different layouts (from 1+1 to 3+1). The area of each varies from 68 to 272 square meters. Consider what is included in the internal infrastructure. Outdoor and indoor swimming pool; massage room; Restaurants and eco-cafes; Fitness club; cinema hall; Amusement park for children and water park; Field for volleyball and basketball games; Tennis court; Sports ground of open type; Table tennis and billiards; Designer landscape; Permanent security, cameras work 24 hours a day; Garden; BBQ area; Closed parking lot; Sun terrace. So, summing up, we can safely say that the residential project is a prestigious complex. A unique infrastructure has been formed inside and outside it. It allows you to enjoy entertainment and relaxation at any time of the year. Thanks to the highest level and quality of construction of the residential complex, well-developed external and internal infrastructure, various layouts, the project could become attractive to every person. Many people buy apartments here. And the area is often used for business, which brings great profits to investors.
