The project is a new modern residential complex with a well-developed five-star hotel infrastructure. The complex is located in the Kargıcak area of sunny Alanya, from where a picturesque landscape of the sea and magnificent mountains opens up. The Kargıcak area is a calm place suitable for a measured and quiet life. The area is located on the sea coast in the foothills of the Taurus Mountains, which is surrounded by coniferous and citrus groves. The residential complex provides a developed infrastructure where residents can easily get to their desired places and use the services of specialists, as well as purchase everything necessary for life. External infrastructure: Mahmutlar beach and Karagedik Plajı beach - 5 min; Alanyum shopping center - 15 min; Polyclinic - 20 minutes; Wakeboarding Park Gold Cable - 11 min; Gazipasa Airport - 25 min; Port of Alanya Marina - 27 min; Anjelik Beach - 22 min. Also next to the residential complex is an attractive embankment where you can walk with your families and just spend a pleasant time in the fresh air. Entertainment offered by the residential complex for adults and children: Outdoor and indoor swimming pools; Massage room and SPA center; Fitness club; Cafe; Closed cinema hall; Park for children; Volleyball Court; tennis court; Billiards; A small club for those who like to dance; Swimming pool for children, water park. The residential complex offers not only entertainment, but also provides a complete list for a comfortable stay. Because the territory is fenced, you don't have to worry about security, while the complex is monitored by security guards and video surveillance around the clock. Residents also have the right to use parking, bicycle parking, air conditioning, concierge services. And all these amenities for a comfortable stay are backed up by colorful mountain views and landscaping that you want to look at every day. The prestigious residential complex consists of five blocks of premises, including luxury apartments, the areas of which vary from 68 to 272 square meters. m. The main advantages of the complex is the Mediterranean climate, elegant architecture and 500 meters from the sea. And you don't have to dream about it, because the residential complex is open to everyone who is ready for a new life.
