16 cozy villas in a green and quiet area of Alanya, which is located eight kilometers from the city center. The Kyzyljashehir district is distinguished by its comfort and tranquility. There are no crowds of tourists here even in summer, and the buildings are mostly low-rise. At the same time, it is easy to get to the center of Alanya from here - this can be done in just 15 minutes. The Mediterranean coast is 5 kilometers away. The facility is located 35 kilometers from the airport. All villas have the same 3+1 layout and 200 square meters. Objects are rented with a fine finish and warm floors. The kitchen and three bathrooms in each villa are fully equipped. Stylish kitchen furniture has black granite countertops. Bathrooms feature GROHE faucets and tempered glass showers. Only high quality materials are used for decoration. The villas are located on a hillside, so the windows offer a picturesque view. On the territory adjacent to each villa there is a parking lot where two cars can fit. In good weather, which is not uncommon in the resort of Alanya, it is nice to have a picnic in a special barbecue area. Each site also has its own swimming pool, the area of which can be 36 to 49 square meters. The pools have jacuzzis.
