A residential complex consisting of 4 blocks of buildings in which apartments of different types of layouts are located for every taste. The project is located in the Kagythane district, between the business, economically important area - Maslak and the prestigious and youth - Sisli. The investment value of the dynamically developing area continues to grow steadily due to the strategic location and easy transport accessibility. At the heart of Istanbul's business districts and urban transformation, Kağıthane is the city's fastest growing region and is always in high demand both locally and internationally. All this guarantees a high investment value and rising rents. The project attracts special attention due to its developed both internal and external infrastructure, where there are a lot of shopping centers, medical and educational institutions, art centers, as well as transport interchanges. The residential complex consists of 414 apartments with layouts from 1 + 1 to 3 + 1, the areas of which vary from 43 to 162 square meters. Internal infrastructure: underground 5-storey parking, 24-hour security, indoor pool, outdoor pool, sauna / hammam, basketball court, fitness center, football field, volleyball court, cafe, observation deck, children's playground, decorative pools, etc. .
