This residential complex is located in the Yokushbashi area, Bodrum. Ideal location: close to the city center, while you can find an opportunity for seclusion by the sea or easy access to historical sites, or enjoy the purest air in the Yuksel Jalar forest.

The facility is being built on an area of 31613 sq.m. In addition to the residential blocks directly, the complex includes a hotel. What makes the residential complex very attractive in terms of renting out.

The complex consists of 55 residential premises, including apartments, duplexes, villas with area, layouts from 1 + 1 to 5 + 1 from 90 to 558 sq.m.

During the construction and decoration, high quality materials are used only from trusted suppliers. When developing the project, the architects took the concept of "Unity with nature" as a basis. Therefore, there are so many natural materials in the decoration.

All property owners in this project have the right to use the hotel's infrastructure, including visiting the SPA center, fitness club, swimming pool, you can also order food from the restaurant or use other hotel services.
