We offer to purchase a building in Riga. Imanta is a microdistrict of the city of Riga, which has an advantageous location and is very popular among many residents of Riga, as it has important advantages: good public transport links, extensive active sports clubs and circles, proximity to the resort town of Jurmala, many different medical and educational institutions, schools, kindergartens.

The city plan allows the construction of a nine-story building. The building is currently leased to a kindergarten.
