Buying property in Istanbul is very profitable, especially for those who want to live near the sea and tourist attractions, and in a developed infrastructure. Such a place is just Fatih. The developer has created a project of luxury apartments on the coast of the Sea of Marmara, the design concept combines historical and modern architecture, which are harmonious and include modern construction methods. Near the complex there are a lot of infrastructure facilities: shops, restaurants, cafes, a school, a medical center, as well as a well-developed transport interchange with busy traffic. For buyers, apartments 6 + 1 and 1 + 1 are provided, with beautiful, floor-to-ceiling panoramic windows that add light and space inside the premises. Also, all residents of the complex have access to parking and covered parking, there is a car rental service. Own sauna, spa complex, indoor pool, apartment cleaning services, dry cleaning, and for children, playrooms and playgrounds.
