The elite residential complex is located in the Fatih district, the central part of the city of Istanbul, on the coast of the Marmara Sea. This project combines ancient architecture, unique appearance and modern building technologies. The residential complex has luxury apartments of different sizes and layouts. All rooms in the building are well lit. This was achieved thanks to the arrangement of the glass facade. On the territory of the facility there is a bathhouse, a beauty salon, a hammam, a spacious heated pool, a restaurant, paths for pedestrians and cyclists. The territory of the object is surrounded by greenery. Many ornamental shrubs, trees and flowers grow here. Additionally, residents can use the services of dry cleaning and cleaning. The object is under round-the-clock protection, video surveillance is conducted. The security service and reception are open 24/7. There is a parking lot.
