The property is located in the Asian part of the city of Istanbul. Maltepe area is amazingly beautiful. Magnificent landscapes open already from the terrace of the building. The guests of the apartments can watch the most beautiful islands and the waters of the Marmara Sea. And all this is located not on the outskirts, but in the central part of the metropolis. Good transport interchange allows you to quickly get to the desired area of the city. All the necessary infrastructure is also nearby. The E-5 and TEM highways are located in close proximity. You can also get to the object by rail or metro. There is also a ferry crossing. The guests of the building can walk to Baghdad Street, where a large number of restaurants, entertainment, shopping centers are located. There is a well-equipped park area. In general, the area is rich in infrastructure facilities, there are medical institutions, universities, schools. The living object is a building consisting of two buildings. There are 16 floors in total. There is a good selection of apartments with different layouts to choose from. On the ground floor there are apartments with original gardens. The duplex has terraces. The building is well landscaped, there are outdoor pools for children and adults. There are also well-equipped playgrounds, paths for pedestrians. Inside the facility there is a fitness room, Turkish bath, sauna, hobby room. For guests there is parking, and closed parking. Everything you need is within walking distance. Service is maintained at a high level.
