This facility, located in the center of the resort town of Antalya, Kepez district can be called a whole city. Its area is 1,300,000 sq. meters. In addition to 19,000 apartments, there is also a beautiful park on the territory of the residential complex. The complex has good transport links. Not far from it there is a road interchange, thanks to which it is convenient for motorists to get to anywhere in the city. For the convenience of residents, there is a tram stop within walking distance. The social infrastructure is also well thought out here. Directly on the territory of the complex there is a hospital, a school and a kindergarten, shops, premises for offices. It is decorated with artificial reservoirs, next to which there are cozy cafes. There is a large shopping center nearby. Near the houses there are playgrounds for children and swimming pools. The park has walking paths and recreation areas. In addition, the project includes areas for walking pets. For lovers of physical activity, there are gyms and swimming pools where you can play sports in any weather. Future owners can choose from apartments with layouts from 4 + 1 to 1 + 1 with large windows that offer a beautiful view of the city and spacious balconies where you can spend time outdoors. Some apartments on the lower floors provide spacious verandas. The territory of the residential complex is closed and is under round-the-clock security, which provides residents with peace and security.
