This residential complex is a separate world inside a big city, it is located in the very heart of Antalya, in the actively developing Kepez district. The territory of the object is 1,300,000 sq. m., there are 19,000 apartments and a magnificent park. Thanks to this neighborhood, residents have the opportunity to live in comfortable conditions and at the same time enjoy their vacation, walking under the canopy of trees and admiring the magnificent landscapes. The area has a well-developed transport infrastructure. Transport links are organized in the best way: next to the complex there is a major road junction, thanks to which motorists can easily get to any part of the city or other regions. Nearby, a few minutes walk from the complex, there is a tram stop. The complex has all the necessary social facilities for residents of any age. On the territory of the object there are educational institutions, a hospital, commercial and commercial premises. The pedestrian zone will delight you with cozy cafes located near picturesque artificial reservoirs. You can visit the shopping center located nearby, or visit the museum. Near the houses there are swimming pools, recreation areas and playgrounds. The park is completely ennobled: there are comfortable walking paths, picnic and recreation areas. The project also provides for separate areas for walking dogs. Fans of an active lifestyle will not be bored: sports centers, gyms and swimming pools are at their service. Residential premises of various layouts are offered: from 1 + 1 to 4 + 1. Many of the apartments offer magnificent views of the surrounding area, there are spacious balconies where, in warm weather, you can watch the sunset or just relax. On the first floors there are apartments with large terraces. The object is guarded 24 hours a day.
