The offered villas are located in the center of Kalkan and are ready to welcome new residents all year round. On the territory there are 14 villas that allow you to relax away from the bustle of the city. The area, which is located nearby, has all the necessary infrastructure, from grocery stores to clinics. This place has everything you need for a comfortable stay of people. New residents are offered two types of apartments, the first option is 6 villas, which are located separately from each other. Each apartment is over 400 square meters and has 5 bedrooms inside. Another area was created specifically for a private garden, which has a swimming pool and parking with two spaces for cars. Each house has a ground floor with a heated swimming pool, so residents can use it even in cool weather. From every room you can see the beauty of the sea, which allows you to enjoy it every day and sit comfortably on the terrace for breakfast. Also, the townspeople are offered villas in the lower 4 objects, each of them has half of the building and a separate usable area of 157 squares. At the same time, a partition is installed from the neighbors, which divides the area. From the terrace of the apartments, a magnificent landscape opens up, which you can admire around the clock. The double rooms provide for parking, but for one car space, as well as a separate swimming pool. Downstairs, like the individual apartments, there is a heated swimming pool and a separate gym. All villas in a favorably developed area are rented with a fine finish and the necessary appliances for a comfortable stay. The kitchens are equipped with headsets and appliances that will allow you to perform household tasks with convenience. Each villa has a luxurious fireplace and air conditioning in the living rooms.
