The new residential complex is located in the Bakirkoy district, not far from the center of Istanbul. There are many shopping and business complexes in this part of the city. The developed infrastructure of the district also includes medical centers, educational institutions, banks, cafes and restaurants. From the property you can quickly get to the metro on foot, and just two stops on the metrobus are Bakirkoy and Incirli. The project consists of four modern buildings for 72 apartments ranging from 58 to 220 square meters. Here everyone can find a suitable layout for themselves. These are comfortable apartments of 2-5 rooms, including duplex options (3+1 or 4+1) for several families with separate entrances. The complex has its own parking and 4 commercial premises right on its territory.
