Your attention is presented to the project, located in the center of Bakirkoy district. It consists of four parts, in the presence of which there are seventy-two apartments ranging from 58 to 220 square meters. There are also four commercial buildings nearby. The external infrastructure implies complete convenience for a person, because the object is located close to the Bakirkoy metro station and with two stops for public transport. Also, everything that a person needs is located next to the project: Public catering establishments; Banks; School institutions; Medical institutions; Parking and more. This project has an apartment with the following layouts from 1 + 1 to 4 + 1.
