The complex, belonging to the premium class, is located on the coast of the Marmara Sea in the Bakiröy area. It covers an area of 62.5 sq. meters. The project provides for the presence of seven residential blocks, two modern hotels, one apart-hotel. From different sides, it is surrounded by a variety of necessary infrastructure, such as clinics, shops, schools, cafes, shopping centers, restaurants, and so on. The main advantage of the object is its close location to the main transport interchanges and junctions, thanks to which it is possible to quickly move to any Istanbul area. The complex provides easy access to land, sea and air transport. The pier, called Ataköy, is only one kilometer away, the Eurasian Tunnel is six kilometers away, and the E-5 highway is three kilometers away. To get to the Istanbul airport, you need to overcome 28 kilometers.
