The main distinguishing feature of this project is the presence of a modern concept in architecture. Its white facade stands out with its unusual rounded shape, drawing attention to itself. This residential complex is located in Altıntaş, which is one of those areas of Antalya that are now being actively built up. There is also an airport nearby, located five hundred meters from it. In the immediate vicinity of the complex, at a distance of three and a half kilometers, there is a shopping center. The distance to the beach is five kilometers away. Complimentary shuttle service will be provided to destinations such as the private beach, mall and airport. The residential building with ten floors is located on the territory, the area of which is ten thousand square meters. The residential complex consists of two hundred and eighty-seven apartments, differing from each other in various layouts, among which you can find both 1 + 1 and 4 + 1. Available apartments that include a private garden along with a swimming pool. The rental of the apartment includes household appliances, kitchen furniture, fine finishing, heated floors, a mounted electric boiler, air conditioners that are installed in all rooms. Not far from the house there are indoor and outdoor parking lots, a large outdoor swimming pool, a bar, a barbecue area, a children's playground. In addition, on the territory of this complex there is a spa, a fitness center, a heated pool available for visiting all year round, a cinema, a games room made for children, a separate room with PlayStation consoles.
