A new residential complex was built in Altintash, an actively developed area of Antalya. The nearest shopping center is no more than 3.5 km away. The private beach is 5 km away. The developers have provided a free transfer from the residential complex to the shopping center and the beach, as well as for a trip to the airport. The object stands out from the rest of the buildings with its bright modern architectural concept. Its total area is 10,000 sq.m. This project is represented by one residential building. 287 apartments are located on 10 floors. The layout of the apartments starts from 1 + 1 and ends with 4 + 1. Residential premises are rented with a built-in kitchen and household appliances, decoration, air conditioning. To provide heat, the apartments provide underfloor heating and an electric boiler. Some apartments have terraces with a swimming pool, as well as a private garden. The external infrastructure of the residential complex is represented by: - adult and children's pools; - playroom and playground for children; - cinema; - barbecue area; - a bar; — open, covered parking; - fitness center with swimming pool; — SPA-salon; - Playstation room.
