The building compares favorably with all other houses, thanks to the individual design of the author. Graceful smooth rounded white walls delight the eye from afar. In addition, the house has a very good location in the Altintash area, less than half a kilometer from the airport building. It will be very convenient to engage in exciting shopping - after all, all the famous shops are nearby - no more than 3-4 km. And it will be possible to get both to the beach and to the modern airport for free by ordering a transfer. The project impresses with its many thousands of spacious area. A 10-storey residential building has been erected on this area. And it has about 300 apartments, the most diverse layout. From small cozy studios with beautiful balconies to luxurious 5-room apartments. All apartments are equipped with the latest design and layout. Built-in kitchens and living rooms with all necessary furniture are already ready. You can buy an apartment, and immediately call in and live. A comfortable layout of the adjacent area will allow everyone to find something to do. The stylized open area has numerous playgrounds for children, an indoor pool, beauty salons, a family entertainment cinema, and an interactive games room. Here you can equip both a comfortable family nest and a business-level apartment for the owner of a fashionable company, it will be convenient for everyone.
