This project is distinguished by modern architecture, and the attractive rounded shape of the facades is immediately noticeable from afar. The residential complex is located in a favorable area of Antalya Altintash. From the airport only 500 meters, which implies transport accessibility. The distance from the nearest shopping center is just over three kilometers, and the beach is only 5 kilometers away. A free shuttle service is provided to the beach and the airport. The residential complex covers an area of 10 thousand square meters. At the same time, the building has more than 250 apartments with any convenient layout from 1 + 1 to 4 + 1. It is worth noting that some of the apartments are offered with terraces and even a private garden. The apartments are rented with a fine finish, and additionally built-in kitchen furniture and household appliances for a comfortable stay of residents. Near the residential complex there is an outdoor swimming pool for children and adults. There is also a bar and a special barbecue area next to the house. The residential building has a fitness center, nearby playgrounds and special rooms for games with a cinema. Therefore, this complex is considered suitable for those who want to live in comfortable conditions away from the bustle of the city.
