This facility is located in the Beylikduzu area, which is saturated with private and public schools, hospitals, shopping centers and other social infrastructure facilities. There are also many parks and other green areas in the area. The residential complex has a convenient access to the E-5 highway, which allows you to quickly and comfortably get to any area of Istanbul. The metrobus line runs through the area. Istanbul International Airport is located 30 kilometers from the residential complex. The object consists of three buildings, united by a common stylobate. the latter houses shops, cafes and restaurants. There are 94 apartments available in the residential complex with layouts from 2 + 1 to 4 + 1. Twelve of them are spacious duplexes. Each apartment has a balcony. From the upper floors you have a great view of the sea. The residential complex has a gym and an indoor pool, as well as a sauna and a Turkish steam bath. For children there is a playground outside. The facility has a video surveillance system. The closed territory is guarded around the clock.
