This property is located close to the E-5 highway in the Beylikduzu district of the European part of Istanbul, and therefore has excellent transport accessibility. You can get from here to any part of Istanbul quickly and comfortably. The residential complex covers an area of more than 28 thousand square meters. In total, 809 apartments are available in it, located in nine seventeen-story buildings. From the windows of the upper floors there is a good view of Istanbul. There are both minimalistic layouts 1 + 1, and more spacious 2 + 1, 3 + 1 and 4 + 1 with spacious living rooms and cozy balconies. The complex also has 125 commercial premises, which are occupied by shops with essential goods, cafes, restaurants, and service establishments. The buildings of the object are located in such a way that they form their own street with shops. On the landscaped territory of the residential complex, a significant part is given over to green spaces. Vertical gardening is actively used. Wide walking paths are laid along the houses, cozy gazebos and benches are installed, flower beds, small artificial ponds and fountains are equipped. There is a large outdoor pool with seating near the water. There are also sports and children's playgrounds. There is a three-level underground parking for cars of residents.
