This facility is located in the actively developing Kyagytkhane area of the European part of Istanbul. The latter is distinguished by good transport accessibility due to its location near the European route E80 with convenient access to it directly from the residential complex. It is convenient to get to the residential complex by public transport. There is a metro station within walking distance. There is also a bus stop nearby. From the residential complex it is easy to walk to the shopping center and small shops, restaurants, entertainment facilities. There are several hospitals, schools and other social infrastructure facilities in the area. The building has 15 floors and 195 apartments. 1 + 1 and 2 + 1 layout options are available for purchase. On the territory there is a large green area and a children's playground. On hot days, the outdoor pool is especially popular. For sports there is a large fitness room, there is also a sauna. You can relax after a workout or hard work on the spacious terrace, which offers a beautiful view of the city. The residential complex also has a bar and a restaurant. There will definitely not be any problems with parking on the territory of the residential complex. There is both a large outdoor parking and underground parking.
