This facility is located in the European part of Istanbul near the E5 highway, which allows you to quickly and without traffic jams get to any part of the city. The nearest metrobus stop is just 50 meters from the house. From the windows of the residential complex offers a great view of the city. The area is saturated with social infrastructure. The nearest shopping center is only 400 meters from the property, 550 meters from the hospital. There are many schools and universities around. Just two kilometers from the residential complex is the famous Mecidiyeköy district - the center of business activity in Istanbul. Haliç Congress Center is the same distance and Istanbul Airport is 30 kilometers from the property. The Bosphorus Bridge and Taksim, full of attractions and shops, are 7 km away. The residential complex has 13 floors. Apartments with layouts from 1 + 1 to 3 + 1 are available for purchase. There are also duplexes from 2+1 to 4+1. Many layouts have one or two balconies. There are also spacious apartments with two bathrooms. The internal infrastructure of the complex provides round-the-clock work of the concierge on the ground floor of the building, a spacious underground parking. There are several shops in the basement of the building. The unique location makes the facility convenient for business and student travellers. Proximity to the center of Istanbul's business life makes the residential complex a profitable investment option.
