This facility is located in the dynamically developing area of Buyukcekmece in the European side of Istanbul. Comfortable life with a magnificent view of the Sea of Marmara from balconies and terraces and excellent infrastructure - everyone will find their advantages in this residential complex. Büyükçekmece is one of the greenest districts in Istanbul, but has good transport accessibility. The metrobus station and the E5 highway are equally close - five minutes from the object. Nearby is also the pier of Western Istanbul. The nearest shopping center is located ten minutes from the residential complex. There are enough schools, hospitals and other social facilities in the district. There are many shops and cafes around. The residential complex occupies almost 4 thousand square meters of territory and consists of two buildings with a cozy green area between them. Apartments with layouts 1+1, 2+1 with standard and American kitchens, 3+1 and 4+1 are available for purchase. The apartments have panoramic balconies and terraces. On the ground floor there are apartments with a private garden. The internal infrastructure of the complex is represented by landscape design with artificial ponds, footpaths, a playground. The facility also features a fitness center with indoor pool, sauna and Turkish bath, as well as ample parking. The investment attractiveness of the Buyukcekmece area is constantly growing due to natural beauties, transport accessibility and developed social infrastructure. This object is suitable for both profitable investment and comfortable year-round living.
