This cozy property was created for a comfortable life with a family and is located in the Beylikduzu area in the European part of Istanbul, near the coast of the Marmara Sea. Proximity to parks and beaches allows you to combine the rich life of the metropolis with the privacy and tranquility of a quiet area. The complex is distinguished by good transport accessibility. The E5 highway is 3.5 kilometers away, which makes it easy to get to any part of Istanbul. There is also a metrobus line in the area. The social infrastructure is represented by numerous schools, colleges and universities, private and public hospitals, shops and large shopping centers, as well as other significant objects. You can walk to the beach and the park in ten minutes. The project covers an area of 3250 square meters and consists of two six-storey buildings. There are 48 apartments in the complex. All of them have a 3 + 1 layout with balconies, and the area varies from 171 to 177 square meters. The facility has infrastructure for the whole family. This is a playground and a garden with an artificial reservoir and a fountain, as well as an equipped picnic area under a canopy. Inside the buildings there is a gym, sauna and Turkish bath. The facility provides sufficient parking spaces for residents.
