The premium residential complex consists of luxury apartments, hotel rooms, retail and office space. The object is located in the City of Istanbul, Zeytinburnu district. Nearby lies the coastline and a beautiful beach. The total area of the residential complex is 63.5 thousand square meters. You can go to the seashore through a modern tunnel for pedestrians. On the shore there is a pier with different types of water transport. The residential complex was awarded an award in the nomination "Best Design". It was awarded at a competition in the field of luxury real estate. The buildings are located remotely from each other, which allows you to feel freedom and space. The architecture of the buildings is thought out to the smallest detail. Panoramic windows offer a picturesque view of the sea. The Eurasia Tunnel is 7 minutes from the property. There is also a port, airport, highway and several IDO terminals nearby. The developed infrastructure of the district implies the presence of social and entertainment facilities. Nearby there are clinics, shopping centers, schools, universities, a hippodrome, a market. Here are the main attractions of the city - the Galata Tower, the famous Topkapi Palace. You can visit the Hagia Sophia. There are six separate blocks on the territory of the object. Each of them provides 850 apartments. One block is a luxury hotel. Due to the remote location of the buildings, the windows of the apartments offer a beautiful panorama of Istanbul and the Sea of Marmara. For sale there are apartments of different layouts and areas. Here you can buy apartments from 75 to 375 square meters. In addition, there are duplexes 215-360 square meters, penthouses 732 square meters. On the territory of the residential complex there is a spacious parking lot, a sauna, a beauty salon < several swimming pools for adults and children, retail and office space, a playground for children, a massage room, sports grounds, a football field, dry cleaning, a tennis court. All apartments have a smart home system. There is a large supermarket, there is an electric car charging station. The complex is under round-the-clock security, video surveillance cameras are installed everywhere.
