A beautiful and modern residential complex is literally immersed in lush green spaces. The territory of the object is 30 thousand sq.m. At the same time, 18 thousand sq.m. planted with trees, flowers and shrubs. From the windows of the residents there is a unique view of the wonderful landscapes. It is very easy to find a place for walking in the fresh air. The property is located next to Lake Buyukcekmece. This reservoir, just like in the Sea of Marmara, is perfectly visible from the windows located on the upper floors of the residential complex. In the Istanbul district of Buyukcekmece, where the residential building is located, there is everything you need for a cozy, calm and measured life. In walking distance there are many shops and a shopping and entertainment complex. There are hospitals, clinics, pharmacies. You can reach them on foot in just a couple of minutes. Bicycle paths are paved on the territory of the residential complex, where residents and guests of the area comfortably ride bicycles. From the construction site, you can easily get to any quarter of Istanbul. This is made possible by the E-5 highway. By motorway within ten minutes you can get to the most important roads of the city. Within walking distance there is a bus stop through which six routes pass and a station where a modern metrobus arrives. For those who want to go to the beach, high-speed minibuses run. There are 14 several storey buildings in the residential area. 495 apartments with a new layout are prepared for sale here. Residents of the apartments have the opportunity to take advantage of the developed infrastructure of the quarter. There is an open and closed pool, a spa, a bathhouse, a hammam - a Turkish steam room, a sauna, a fitness center, and 24-hour security. On the territory of the residential complex there is a playground for children, areas for comfortable rest, walks and picnics. For vehicle owners, a spacious garage and other benefits are provided.
