Beyoglu District is a versatile residential complex located in the heart of the European part of the largest city in Turkey - Istanbul. This area is rich in its sights, exquisite architecture and infrastructure: hotels, shopping centers, offices, spacious and luxurious apartments. Beyoglu is an ancient district of Istanbul, which is rich in its history. The area is full of attractions, cultural, business and entertainment venues. Since the area is located in the very center of the city, it will be easy to get there, no matter in what part of the city a person is. Taksim, Galata, Karakoy are the most famous quarters of the region. Istiklal, Taksim Square and Galata Tower are the most crowded streets. Taksim is one of the large squares in the city with many attractions, which is located in the very center of the city, so you can get to anywhere in the city on foot, no matter where the person is. In this project, there are many different subways, for example, Taksim and Shishkhane, Kygythane and Dolmabahce underground tunnels, highways, hospitals, shopping centers. Famous places are Dolmabahce Palace and Vodafone Park. The project provides for spacious and luxurious apartments and apartments. Residents of the area will be able to choose exactly their option to your liking. Since 950 apartments and suites with various layouts have been built in the area, with areas from 55 to 207 square meters. The internal infrastructure is provided with everything necessary for people: playgrounds for children, cafes, sports grounds, fitness centers, beauty salons, massage parlors, cleaning companies, playrooms and lounges, and much more. This project will appeal to anyone. Since this is a whole developed area with all the necessary infrastructure and equipped territory, which will give the future tenant and his family everything they need.
