A modern residential complex, equipped with everything necessary, is located in the Beyoglu area. This is the European part of Istanbul in the heart of the city. Thanks to its favorable location and well-developed infrastructure, the residents of the area are within walking distance of the main services. Literally in 5 - 10 minutes walk there are several higher educational institutions and schools, libraries, museums. Close to Taksim Square and Istiklal Street, other busy places where you can visit shopping centers, restaurants and cafes. A big plus is the presence of two metro stations nearby. The nine-story building was built in the spirit of the latest innovative architectural solutions. The future tenants are offered apartments of various layouts: from 1 + 1 to 3 + 1. Although this is conditional. A distinctive feature of the complex is the presence of sliding walls, which is very convenient and functional. If necessary, in a moment, with one movement, you can separate the bedroom from the living room or turn the apartment into one large room. The apartments have spacious terraces and balconies with magnificent views of the city panorama. Lovers of beauty will appreciate this opportunity. The territory of the complex occupies 7,000 sq. m. The residential complex contains 245 apartments and 15 commercial premises. A variety of internal infrastructure is at the service of residents: a swimming pool for swimmers; SPA and fitness center to take care of yourself; shops on the ground floor; own cinema, so as not to miss the evenings and immerse yourself in the fabulous world of cinema. A modern residential complex, where everything is provided for the convenience of residents, meets the highest demands. The facility is convenient in terms of the availability of a variety of services: a concierge is available 24 hours a day, you can order food delivery at any time, find a nanny for your child, use a transfer to the airport.
