The residential complex is located in Istanbul, the elite district of Beyoglu. Nearby are the main attractions of the city, which attract tourists and residents of Istanbul. Within walking distance there is all the necessary infrastructure for a comfortable life. The metro is only 5 minutes walk. There are also secondary schools, kindergartens and universities nearby. Operate elite restaurants, shopping and entertainment centers and museums. The object is a building with 9 floors. The modern architecture of the complex attracts the attention of passers-by and tourists. There are apartments of different layouts and sizes. The main highlight of the LCD is the presence of sliding walls. Residents can independently separate rooms with their hands, as if pulling curtains. In the same way, you can make a single area out of an apartment. Each apartment has a balcony or a spacious terrace. Residents will be able to enjoy a beautiful panorama of Istanbul. There are 247 apartments for sale, as well as various commercial premises. Among them are 15 modern offices for doing business. You can purchase apartments of any layout and level of comfort. The territory of the object is surrounded by greenery. Exotic trees, bushes and flowers grow here. The residential complex is located on an area of 7,000 square meters. Developed infrastructure will allow you to lead a carefree lifestyle. The facility has a large swimming pool, sauna, spa, cinema, hairdresser, gym and much more. The first floors of the building house various boutiques and shops. The residential complex has a concierge. There are also services for food delivery, cleaning, babysitting for children. The entire territory of the complex is under round-the-clock security. Surveillance cameras are installed around the perimeter. Residents of the facility can feel as comfortable and safe as possible in their home.
