A new residential complex in one of the most prestigious areas of Istanbul - Nisantasi. Integrated development is a territory with the unity of the layout of residential buildings and the improvement of the environment. On an area of 97,000 square meters there is everything you need for a comfortable city life. This complex includes 62 apartments, 99 office premises and even a hotel with 146 rooms, a shopping center and parking for 600 cars. This is only the most part of all objects on the territory. The area of the residential complex also includes equipped playgrounds, areas for recreation, walking, and sports. The complex is located in the very center of the city. It is 5 minutes from Taksim, 10 minutes from Mecizhiköy, 15 minutes from Zinçirlikuyu, 18 minutes from Levent and 40 minutes from the main Istanbul Airport. Due to the location of the complex, medical and educational institutions are within walking distance. Due to the fact that the development has a priority on the restoration of historical objects located on the territory of the complex, the developers and architects have developed an architectural style that is in complete harmony with the historical one. At the same time, new buildings meet all modern standards for a comfortable stay for future residents.
