Suggested for sale 3-storey Villa in Crete. The interior space is 310sqm on a plot of 2,000sqm and was built in 2005 but It is not fully completed. Provides unlimited and unobstructed views of the sea, olive groves and mountains. The ground floor is fully finished and consists of a large open space, living room, dining room and kitchen, two bedrooms, a bathroom, a storage room and two other large rooms from behind which are not used. At the original plans, it was meant to be a garage. The first floor and the second floor are not completely finished. They have windows, externally they are painted, electrical and plumbing installations are already placed but internally they need tiles, paint and furniture. In the original plans, the first floor from which was meant to be the main entrance would consist of a very large open space with a living room, dining room, kitchen and a bathroom while the second from a master bedroom with its own bathroom and two other bedrooms with a bathroom. Has solar, garden, parking, underfloor electric heating infrastructure available on all floors, alarm and cameras. There is also the infrastructure for placing a fireplace on the first floor and a swimming pool on the plot. The Villa is located in a quiet location, with luxury homes around and at the same time very close to all the necessary infrastructure. We can undertake the total completion of the villa upon request.
