This elegant villa is a state-of-the-art-design, ideal for people with a fine taste for living. It consists of 2 bedrooms in the upper floor with en-suite bathrooms. These bedrooms have access to a large veranda with a spectacular sea view. A third bedroom with en-suite bathroom is located on the ground floor. Another bedroom with en-suite bathroom is also located on the ground floor which is actually a large studio connected with the main house but also with its own entrance for extra privacy. A large living room is also on the ground floor with comfortable sofas overlooking at the swimming pool through a large window. Direct access is to the pool from the living room. An independent studio is located near the pool with a large double bed with en-suite bathroom, ideal for a couple. The private swimming pool with the comfortable sunbeds is ideal when you stay at home relaxing by the pool. There is an outside dining area under a shaded pergola with a large table where you can have breakfast, lunch or dinner under candle lights. The outdoor area is under a shaded pergola with elegant outdoor furniture. There is also a large stone-built sofa with a stone-built table where you can sit after your swim and enjoy the Greek sun with a nice cold drink. The white colored walls and furniture in the interior create a sophisticated atmosphere. One of the main characteristics of this villa is that all bedrooms have en-suite shower rooms with separate toilets which gives an extra privacy. The villa was designed by a famous Greek architect who combined the local Cycladic architecture with the modern design. The villa can accommodate 10 people, max 11. There is a parking space for 3 cars.
