There is a blue dome over the top of the house to evoke feelings of the Greek Island life and Greek soul. The pool overlooks the cliff and sea and leaves the guest feeling like they are suspended in the heavens, enjoying the combination of the blue sea and blue skies and the Cretan sun. The night skies are just as impressive, with the starlight over the pool water that also has illuminated star lights within its waters. The private gardens around the house have fragrant and colorful trees surrounding the house adding extra privacy to the discerning guests. This villa is for the total Greek escape. The villa comprises three levels of living space. Level one, has two large bedrooms with two bathrooms and a washer dryer, ironing board and mini kitchen.
