Saronida is located only 40 km from the center of Athens, borders Vouliagmeni, Agia Marina, Lagonisi, Anavissos. This is an area with its own infrastructure: supermarkets, schools, pharmacies, banks, public transport, sports facilities, restaurants are within walking distance. The property in Saronida is much cheaper than, for example, in Vouliagmeni, but many people choose this area because of its measured way of life, stunning scenery, and, of course, its beaches. This region is actively developing and, reasonably, is considered to be a good option of investment. This beautiful property is surrounded by lush greenery as a small paradise on earth is ideal for lovers of peace and comfort.
