This complex of 114 exquisite villas located in the southern part of Phuket. It is planned to build three types of villas ranging from 206 to 272 square meters, each with its own pool and garden. The project will build a five-star hotel on a 5,000-square-meter site that will include a gym, outdoor pool, restaurants and bars, and a Thai spa. The hotel provides management and day-to-day maintenance services to relieve you from worrying about the condition of your property while you are away, as well as generate substantial additional rental income.

The real estate developer, founded in 2015, specializes in project development, construction management, property management and brokerage services. During this time, the developer has successfully implemented 7 projects in Phuket and is now building boutique apartments, resort villas and premium hotels in the most sought-after areas. In addition, the company has strategic land in Phuket and Bangkok.
