A new development of ultra-luxury pool villas uniquely located on a hillside in Ao Po. This is where the incredible view of the breathtaking Phang Nga Bay on the east side of Phuket Island opens up.

The project is a complex of 9 villas with 4 or 5 bedrooms located on plots ranging from 1143 to 1818 square meters. The villas, designed on two or three levels, amaze with their unique modern design.

The interior space of each villa includes a bright living room, dining area, fully equipped kitchen and 4 or 5 en-suite bedrooms. The outdoor area by the pool creates the perfect space to relax or party. On the roof of each villa there is a stylish gazebo (sala) that can be used for cozy family evenings with barbecues or other outdoor activities.

The project is ideally located on a hillside close to Ao Po Grand Marina on Phuket's quieter east coast. Seafood restaurants and shops are just a 5-minute drive away, while Mission Hills Golf Club is less than 15 minutes' drive away. Blue Canyon Country Club, Nai Yang Beach, United World College Thailand (UWCT), Thanyapura Sports and Leisure Center and shopping malls are only 25 minutes away by car.
