A new luxury complex of villas located in the prestigious area of Bang Tao. This is a project from a developer that includes 9 single storey premium villas with 3 or 4 bedrooms.

Hidden under a geometric roof, each villa offers a magnificent living and dining area with high ceilings, a fully equipped kitchen with an island/breakfast bar and a guest bathroom. Double ceilings and glass walls fill the interior with natural light.

The master bedroom has a spacious dressing room, bathroom and direct access to the pool and garden. The en suite guest bedrooms also provide direct access to the pool.

The centerpiece of the exterior space is the spacious swimming pool with built-in jacuzzi, surrounded by a green garden.
