A new luxury complex of villas located in the prestigious area of Bang Tao. This is a project from a developer, which includes 9 premium single-storey villas with 3 or 4 bedrooms.

Hidden under a geometric roof, each villa offers a magnificent living and dining area with high ceilings, as well as a fully equipped kitchen with an island/breakfast bar and a guest bathroom. Double ceilings and glass walls fill the interiors with natural light.

The master bedroom has a spacious dressing room, bathroom and direct access to the pool and garden. The guest bedrooms, with their own bathrooms, also provide direct access to the pool.

The centerpiece of the outside space is the spacious swimming pool, complete with built-in jacuzzi and surrounded by a green garden.
