The villas are located in the most attractive part of Bang Tao, very close to Phuket Lagoon and just a kilometer from Porto De Phuket and Boat Avenue, giving you the opportunity to enjoy restaurants, boutiques, salons, cafes and everything your heart desires, while the beach is only five minutes walk.

Could there be something even better? Undoubtedly. The location of the villas allows easy access to international schools and kindergartens.

If you cannot imagine life without adventure and active pastime, the area is replete with beaches and nightlife, there is quick access to Patong and a short drive to Phuket Airport.

The concept of the villas is a simple layout on one level, including bedrooms and a living room that open directly onto the terrace around the pool, with additional bedrooms located at the back of the house. In addition, there is enough parking space for two cars.
