

Four bedroom villa for sale in a prestigious eco-village

Thailand, Phuket

Price:	€ 683 000
Object type	House
House type	New project
Market	New building
Quarter of finishing:	Q1
Year of finishing:	2024
Bedrooms	4
Land area	464 m2
Area	409 m2
Category	For sale

The concept of the project is based on admiring the nature of Phuket. In each house, the main element is a patio with a living tree, which becomes the heart of each villa. The basic principle is that any architectural detail should be in harmony with the surrounding landscape. Experienced designers have skillfully integrated sustainable lifestyle principles into the design.

The commissioning of the project is scheduled for January 2024. The complex will include only 15 villas.
