The new modern project is a complex of eight exquisite luxury villas, ideally located, offering magnificent views of the west coast, surrounded by picturesque green hills.

This is a great example of exclusive and luxurious real estate. Modern amenities and proximity to numerous amenities make this complex an excellent choice for those who value comfort and style.

The exquisite finishes and modern amenities of each villa, including a private pool, a spacious pool deck, a covered terrace and a large garden, make life here exceptionally pleasant. Inside the villas you will find 4 bedrooms, a large open plan living and dining area, a fully equipped kitchen and a staff room. There are also large balconies and terraces at your disposal, ideal for outdoor recreation and active pastimes.

The villas have been designed with a variety of lifestyles in mind, whether you are a small family, a large group of friends or a couple looking for a romantic getaway.
