The unique pool villa is a combination of traditional Thai and modern styles. It will become a gem in the collection of real estate connoisseurs looking for unique details and adoring the Thai flavor that is harmoniously intertwined in the design of this modern home.

Handmade elements introduced into the interior of the villas give the space a natural beauty. Quality wood from which traditional Thai tables are made, modern chairs with decorative elements and clay tiles are an echo of the fashion of past eras of the Thai people. All this becomes an expressive accent of the decor.

If you are attracted by the harmony of the simplicity of the Thai lifestyle and modern style, this is what you need.

A conscious fusion of traditional Thai craft and modern fashion is the motto of the creators of the project. Let yourself appreciate the uniqueness and charm of this villa.
