A new project from a luxury real estate developer, consists of six private villas located on a hillside along the Chaofa West road. This is the place where mountain and sea views become your daily neighbors.

This project is the key to an exclusive life. You can enjoy the mirror reflection of the sky in the waters of your private pool, highlighting the unique atmosphere.

Each of the villas is the epitome of luxury and spaciousness. Here you will find expansive terraces for relaxation and a large outdoor pool with a sun deck where you can enjoy sunny days and starry nights.

This unique project offers you not just housing, but a special way of life, where harmony with nature meets sophisticated comfort. Don't miss your chance to be a part of it.
