Let me introduce you to the unique villas - a place inspired by the ancient goddess, mentioned in many sources, personifying the "Tree of Life". As the queen of the heavens and the mother of the gods, she embodies the spirit of the sea, recalling the power and beauty of nature.

The company developer of the project, focuses on quality. They build dream homes, adhering to modern standards of luxury and sophistication.

The team consists of only professionals with ten years of experience in real estate, marketing, design and architecture. The mission is to create villas that combine comfort, uniqueness and exceptional design. These villas are designed to make your island lifestyle dreams come true.

The project is located in a picturesque place near the century-old Banyan tree. 11,200 square meters of land includes 20 single storey three/four bedroom villas with pools. Villas range in size from 405 to 643 square meters, while interior spaces start at 170 square meters.

This is the place where your heart and spirit will find solace. The combination of wind, light, wood and lush greenery creates an atmosphere ideal for relaxation, meditation and creativity.

Villas offer the comfort and tranquility of a spacious home and beautifully designed surrounding areas. It harmoniously combines modern design and the tranquility of nature.

Our light and shadow design is unique in Phuket. This innovative approach to environmental protection,

including the generation of solar energy, which allows the most efficient use of natural light.

The interior of the villas reflects the culture and customs of Thailand. Smooth architectural lines, graceful landscaping and decoration; all of this, combined with natural light, creates a play of light and shadow in the inner and outer courtyards of the villas, emphasizing the natural beauty of the environment and the island lifestyle.
