Villa with modern architecture, open spaces, lots of light and stunning sea views are the main characteristics that define this property. It has 3 bedrooms with en-suite bathrooms, the master bedroom being a private space to relax in front of the sea either in its hydro-massage bathtub or in its private terrace. The living/dining room deserves a special mention, a spacious and bright room, with direct access to the terrace with large wall-to-floor windows, which are fully retracted extending the dining room to the terrace and enjoying incredible sea views. The amenities of this villa are endless and reflect its quality and equipment: lift, closed garage for 2 vehicles connected internally with the hall, TV room, home automation, laundry room, underfloor heating throughout the house, infinity pool and large garden areas. A wonderful place to live all year round, enjoying the Mediterranean climate and the marvellous sea views.
